

Adinx Entertainment

BAND STORY

"

Adinx Entertainment is an Empire that is dominating the entertainment industry .We are based in the United Kingdom and already taking the world by storm.

Adinx Entertainment is a unique blend of two cultures (European and African) that was created to give people the option of experiencing something new in entertainment Our crew have a variety of experience ranging from organizing Parties, Music Production and Promotions. Note: All Tracks were produced by EYE2EYE Jumstas Under Adinx Entertainment Management
